### SUMMARY

Currently enrolled in SAIT's Software Development program in Calgary, Canada.

Previously worked in Japan as a system administrator, web designer, and Flash creator.

Recently, I have been focusing on mobile development using Kotlin and web development with React and TypeScript.

### SKILLS

Kotlin • JavaScript • TypeScript • Python • Java • C# • HTML5 • CSS

**Frameworks:** Jetpack compose • React • Next.js • Bootstrap • Tailwind • .NET MAUI

### EXPERIENCE

#### Student Tutor (in Japan)

Apr 2011 - Dec 2011

Teaching Mathematics for junior high school students.

#### Information Technology System Administrator (in Japan)

Feb 2009 - Feb 2011

System administrator at the Information Technology Department of Kawasaki Heavy Industries, Ltd.

##### Achievements:

> **Troubleshooting and Collaboration:** Connected users and developers, fixing issues and asking for fixing code. Collaborated to bridge gaps between technical and non-technical teams.

> **Efficient File-Deleting Script:** Developed an efficient file-deleting script that reduced processing time by tenfold.

> **Oracle Database Table Spaces Expansion:** Successfully coordinated the expansion of Oracle database table spaces, accommodating increased data volumes and ensuring system scalability.

**Main roles:**

- > Researching and solving system problems.
- > Improving systems by discussing with users, developers, and IT strategy department.
- > Configuration of Oracle database. (Expanding table spaces, defragmentation).
- > Export and import data (DB data, files).
- > Coding helper for Java, VB .Net developers.

**Flash Creator (in Japan)**

Oct 2007 - Jan 2009

Creating Flash contents by using ActionScript for mobile phones.

**Web Designer (in Japan)**

Apr 2007 - Sep 2007

Designing and coding websites with HTML, CSS, JavaScript and PHP.

**EDUCATION****Software Development**

Sep 2023 – Dec 2024

Diploma (2-year)

the Southern Alberta Institute of Technology (SAIT)

**Applied Mathematic**

Bachelor of Science

Osaka Women's University

**Web Design**

Part-time (6-month)

Digital Hollywood University
